CLEAN UP AUSTRALIA DAY!

This week's WOW AWARDS

Dolphins

For great attitudes to learning!

Karleen- All star!

Lena – All star!

Titis – All star!

Turtles

For doing a great job today at the clean up!

Gloriana- All star!

Lathan- All star!

Sharelle- All star!

Susan- All star!

Well done everyone on completing so much great learning!

Thank you to everyone for their hard work and effort put into making our home, Warruwi, neat and tidy!

This week the child dentist visited community and school. Here are some of our dolphin students learning how to brush their teeth!

Turtle news!

This week our Turtles class students had some special visitors, Ian and Katrina from Haileybury – Rendall School in Darwin. Ian and Katrina shared some photos with our students about what boarding school is like, spoke about what students can expect and answered any questions. Also this week students helped out by designing and displaying posters around town to raise awareness about how litter affects the environment and to advertise the Community Clean-up day.

March BIRTHDAYS

FaFT

14th-Rowen

18th-Candice

Geckos

25th- Victor Junior

Sharks

10th- Raquelle

Turtles

1st- Rosleen

3rd- Sharelle

Happy Birthday to you!

A big Happy Birthday to Louise for today, Friday 1st March!

Shark class news!

This week in Sharks class we have been observing the winds direction. Our skills determining direction have been put to the test each day with orienteering courses around the school. With compasses in hand the students have been exploring the school in search of hidden clues. We hope that by knowing which direction the wind is blowing we can better understand which fishing and swimming spots around Warruwi are protected from the wind.
